In the 20 years we have been blending Herbal Wormer we have learned that parasites are most active during the full moon cycle, which is a typically 8-10 days. Use the Herbal Wormer for the 5 days or nights, in the chart below for best results. If you miss the suggested start date, no need to stress, just start as soon as you can and give for the full 5 days.

2020 DEWORMING SCHEDULE
